Certification

Kevin Adams, Authorized agent of Max Minds LLC Name:

Date: April 19, 2024

Correspondence: **Explanation of Corrections:**

Yes

I made a clerical mistake when entering the title of the work on the original registration. The name should have been entered as "Haptic Version 1.2.21.1" instead of "Haptic Federal Version 1.2.21.1". This is an evolving software product and I registered several versions in a short period of time. I mixed up the semantics of the name on this registration.
